

2009 – 2010 Youth Leadership Team

Through training and equipping, youth find that they are responsible for the successes of their youth ministry and that it's not up to the youth director and adult volunteers to make it happen. As they grow, mature and experience hands-on ministry, they will experience God in a way that gives them confidence and enthusiasm to share their faith in their school, the work place and in their community. Outlined below are the 8 Sr. High Youth who will serve as our 2009 – 2010 Youth Leadership Team.

Please join me in supporting our 2009-2010 Youth Leadership Team by becoming an adult volunteer.
